"As our schools and communities work hard to promote a climate of inclusion, I'm reminded of the principles our commonwealth was founded on: tolerance, religious freedom, and justice. These are the values Pennsylvanians continue to embrace today. My administration is committed to creating a culture of inclusiveness at all schools, where students are made to feel welcome and valued, and we'll continue to work with schools and communities to help them create these supportive settings that celebrate diversity and teach the importance of respect for self and others."

~Tom Wolf, Governor, Commonwealth of Pennsylvania
